

**Miss Me But Let Me Go**

When I come to the end of the road  
And the sun has set for me,  
I want no rites in a gloom-filled room;  
Why cry for a soul set free?

Miss me a little - but not too long,  
And not with your head bowed low.  
Remember the love we once shared;  
Miss me - but let me go.

For this is a journey we all must take,  
And each must go alone,  
It's all part of the Master's plan;  
A step on the road to home.

When you are lonely and sick at heart,  
Go to the friends we know  
And bury your sorrows in doing good deeds.  
Miss me - but let me go.

**APPRECIATION**

The family wishes to express their gratitude for your kindness evidenced in thought and deed,
